

## Chalet Arandellys Chamonix, France

### What we love...

We love the spacious living areas, swimming pool and sauna the Chalet Arandellys - perfect for large groups and family holidays!

Occupying a peaceful position amongst the meadows, the luxury Chalet Arandellys feels like it is a world away from the bustling town centre of Chamonix, yet it is only a 10 minute drive to the shops, bars and restaurants.

You can enjoy the silence of the mountains from the huge deck and the spectacular view of the peaks of the Aiguille du Midi never gets less amazing.

The chalet itself is gorgeous. It is large and spacious enough to accommodate a large group without feeling cramped. There are numerous separate sitting/living areas for the group to spread out once the serious business of skiing is finished for the day.

The main chalet has 7 bedrooms plus just a few steps across the decking is a separate self-contained annex with two additional bedrooms, which are available at an extra charge.

After a day on the slopes, the first port of call will undoubtedly be the very stylish indoor swimming pool and sauna. You won't be able to resist just staring up at the jaw-dropping mountain peaks whilst floating in the pool. Then take a drink at the bar or find a quiet armchair to escape to with a book.

With a dedicated cinema zone, movie nights will certainly be on the agenda.
