

Chalet Arosa Val d'Isère, France

What we love...

We love the rustic features of Chalet Arosa, such as the huge wooden fireplace and the hefty, timeworn beams.

If you are looking for luxury self-catered chalet in a cosy alpine setting with exhilarating skiing on the doorstep, then this is it. Chalet Arosa is one of a cluster of gorgeous chalets looking out over the sizzling resort of Val d'Isère and across the glittering peaks and valleys of the French Alps.

Gather up your friends and family, and prepare for a week or two of indulgence. There's more than enough space for ten people to gather around the crackling flames of the traditional wooden fireplace, flanked by a stack of logs. The vibe at Chalet Arosa is all chilled out comfort and luxury.

Like characters in a fairy tale, you and your family and friends can huddle around the fireplace, warm and snug whilst flurries of snowflakes fill the

skies. Up above the spacious living area is a cosy mezzanine, reached by a spiral staircase. It's perfect for relaxing in front of a movie whilst the others chat below.

Venture out onto the deck every morning to invigorate your soul with vistas of jagged peaks and cobalt skies, and to breathe in the fresh mountain air and pine scented breeze. In the evening, or on lazy days at home, you can spend some precious me-time in the chalet's outdoor hot tub with a glass of bubbly as the sun sets.

Then it's off to bed. Each of the luxury en-suite bedrooms is decked out beautifully with linens, bathrobes, hairdryers and slippers to make your own little home from home.
