

Chalet Auboïs Morzine, France

What we love...

The outdoor hot tub with stunning views – it simply doesn't get more relaxing than this.

If you're in search of Alpine views, you've come to the right place. Split over three levels, overlooking Morzine's Pleney and Nyon pistes and the Vallée de la Manche, this luxury ski chalet offers mountain vistas to knock your cashmere socks off.

Conceived and newly built as a luxury family property, Chalet Auboïs feels like a home from home. Well, if your own home has its own private cinema and outdoor entertaining deck and heated outdoor hot tub, that is.

At entrance level, there's parking for four cars, garage and boot room – with heated boot and glove racks, naturally.

The second floor at this luxury ski chalet offers two sitting areas separated by a cosy fireplace and an open plan kitchen dining space. Luxe furnishings and wooden beams create a classic laid back, Alpine vibe.

The wrap around windows and French doors facing over the valley are a real highlight.

Grab a glass of warming vin chaud, settle yourself on the sofas by the open fire and take the time to drink in those views.

When it comes to entertainment, Chalet Auboïs doesn't miss any tricks, with Sonos sound system, Spotify, Sky TV, games consoles and plenty of films to choose from, there is something for everyone. There are even GoPros provided and you're welcome to take them out on the slopes.

Offered on a self-catered basis, the foodies amongst you will delight in the well-equipped kitchen at this luxury ski chalet, which offers wine fridges and a large pantry. For those who prefer to watch others getting busy in the kitchen, a private chef can be arranged additionally, on request.

There is one bedroom on this level, along with a large, landscaped deck and garden – perfect for wrapping up warm and gazing up to the stars. Four further bedrooms are located on the top floor at Chalet Auboïs. It goes without saying, of course, that they all enjoy breath-taking views.
