

Chalet Caro Meribel, France

What we love...

We love the outdoor hot tub, which you'll find on the chalet's south facing terrace. You could spend hours enjoying the warm bubbles as you drink in stunning mountain views.

If you're looking for a luxury self-catered home-from-home in an unbeatable location, Chalet Caro truly delivers.

Welcoming and contemporary in design, the timber framed façade is just what you'd expect from a snow topped luxury Savoyard ski chalet. Chalet Caro was completed in 2017 and arranged over three spacious floors.

Located only an 8 minute walk from buzzing Meribel, it means you'll be at the heart of the action in no time. Yet you can still enjoy the privacy, peace and tranquillity offered by this unique chalet.

Step inside and you'll instantly feel at home here. Minimalist Alpine chic, pared down design details and floor to ceiling windows streaming with natural Alpine light make

Chalet Caro a pleasure to explore. There's plenty of space for groups. The chalet sleeps eight guests across four generously sized bedroom suites.

On the ground floor, there's an inviting living area with home cinema system, log fire and inviting L-shaped sofas. The open plan kitchen diner is ideal for lazy lunches and fun-filled dinners. The dining table comfortably seats 12.

Step through floor-to-ceiling sliding doors onto the terrace and you'll find the decadent outdoor hot tub, offering views of snow covered mountains. Nothing spells relaxation like a late night dip in a hot tub as you gaze up at the stars. Pure bliss.

Due to the open stair-case, the chalet is best suited for children aged 5 years and older.
