

Chalet Everest

Courchevel 1850, France

What we love...

We love the chalet's location; nestled in the Nogentil area of Courchevel with the Pralong piste and lift within easy walking distance.

Contemporary style in a traditional setting, Chalet Everest is a beautifully appointed property offering not only a fabulous location close to some of the area's best skiing, but also a fabulous chalet that you'll find hard to leave each day.

Located in the Nogentil district of Courchevel 1850, with the Pralong piste and lift literally seconds from your chalet, you won't waste a moment exploring one of the world's best ski areas.

After a long day on the slopes, there's nothing like relaxing in the private wellness area before getting changed for dinner. Watch the children splash around in the swimming pool whilst you soak in the indoor Jacuzzi and then warm your muscles in the hammam, or perhaps indulge in a massage to soothe any aching limbs.

Upstairs, floor-to-ceiling windows, high ceilings and beautiful wooden beams floods the open plan living space with light. The modern-alpine style gives the communal space a truly relaxing feel, with light woods and textural stone providing a laid-back atmosphere and the wood burning fireplace as the focal point of the room. This truly is the perfect spot to relax with friends and a glass of bubbly while your chef prepares your evening meal.

After a wonderful chef-cooked dinner, head out onto the terrace with a night-cap and enjoy the fresh mountain air. Then retire to cosy bedrooms, designed with only your comfort in mind for a peaceful night's sleep, ready to make the most of everything Courchevel has to offer in the morning.
