

Chalet Gentianes Courchevel 1850, France

What we love...

Chalet Gentianes has the kind of wow-factor that hits you every morning you wake up in its luxurious surroundings. We love the private pool and spa, the piste-side location and all the classy little touches that set it apart from the crowd.

Sheltering amidst the snow-laded pines, Chalet Gentianes is a delectable fairytale cottage, fit for a prince and princess. This is one of the most sought-after luxury ski chalets in Courchevel 1850, rich in character, fully staffed, and in a superb location.

How satisfying to be able to ski in and out of your chic mountain lair, with direct piste access from the ski and boot room, whilst only being five minute drive away from the buzz of Courchevel.

Everything at Chalet Gentianes is just so. From the beautiful aged oak beams, huge open fireplace and elegant décor, to the pampering service and stunning facilities. Where shall we start? Let's begin on the basement level, where you'll find a private indoor swimming pool, Jacuzzi, Hammam and a self-contained gym and a massage room.

Once you've regained your composure, head upstairs and

prepare to discover the private cinema and games room, the sumptuous bedrooms and spectacular top floor living area. Look out for those special little touches such as fresh flowers and luxury toiletries in the bathrooms as you go. And you don't even have to climb the stairs if your legs are feeling weary – the chalet even has a lift.

Now all of this would be impressive enough, but there's more. Staying at Chalet Gentianes is like being wrapped in a blanket of love. A team of professional staff attends to your every need, from the highly qualified chef to the chauffeur and minibus at your disposal. There's even a concierge service to fulfil your every whim.

Helicopter flights, a nanny or ski lessons for your children, massages and beauty therapies, booking activities and sorting out ski and boot hire – we're onto it. In fact, from the moment you enter Chalet Gentianes, the magic begins.

Eating

Your private, highly qualified chef is at your command during your stay at this luxury ski chalet, and all the food and drink is charged at cost. It is totally up to you what level of catering you desire, whether that means simple and frugal, or budget-busting extravagance.

Freshly cooked breakfasts, just the way you like them, afternoon teas, children's suppers and gourmet dinners keep flowing from the state of the art kitchen. Bespoke and a la carte is the theme, so just let chef know whether you would like, and when you would like it.

Ingredients are of the finest quality and expertly cooked, according to your tastes. When it comes to drinks, a comprehensive list of fine wines is on offer. If there's something specific you would like – perhaps a favourite tippie – just ask in advance and we can have the chalet stocked for you.

Chalet Gentianes

Kids

Will the children ever want to venture out from their winter wonderland playhouse into the cold snowy outdoors? When you have your own swimming pool and cinema room, plus delicious food on tap, they might be reluctant.

Fortunately, there's lots to do in Courchevel, and excellent nursery slopes for little ones to build up their snow confidence.

Having a minibus and chauffeur at your disposal means that dragging tired children home is a thing of the past. Dropping them off and picking them up at ski school is the ultimate luxury, and older children will love being able to ski right up to the chalet door.
