

## Chalet Kashmir Meribel La Gittaz, France

### What we love...

We love the wraparound terraces with outdoor hot tub, where you can ease aching muscles – accompanied by a glass of bubbly.

Rustic charm meets chic style at this luxury ski chalet in the hamlet of La Gittaz, Meribel. Chalet Kashmir is a beautifully designed bolthole in the snow, decked out in rich woods, stone and super-simple style, accented by statement lighting and featuring top-of-the-range fixtures and fittings. All of which combine to make this a really relaxing place to spend a week, enjoying both the great outdoors and the very best of the indoors, too.

The open-plan living spaces are ideal for a large group of friends or family, with a convivial dining space from which you can enjoy your chef's masterpieces each evening, as well as a warm and welcoming living room with roaring fire around which to chat, drink and fall slowly asleep after a long, leisurely meal.

The bedrooms are all beautifully thought out at this luxury ski chalet, with plenty of space for their occupants to relax and recharge

their batteries. After a morning on the slopes, having kicked off your ski boots down in the ski room, it's a delight to escape to your own little retreat and perhaps take a nap, a long, luxurious bath or just 'be' for a few hours until cocktails and canapés call.

In the evenings this luxury ski chalet becomes a sophisticated private dining space for you and your party. Your private chef will serve dinner and canapés and some rather special glasses of wine, while you all kick back around the intimate dining table, enjoy the fine foods and wines and catch up on all the events of the day.

After dinner, collapse in the large TV room, unwind around the roaring fire or head out onto the wraparound terraces for some relaxation in the hot tub or perhaps just a quiet moment of star-spotting over the Meribel valley, nightcap in hand.

# Chalet Kashmir

## Rooms

Chalet Kashmir sleeps 12 people in 6 bedrooms.

### Bedroom one

Master bedroom occupying the entire third floor with double/twin beds; en-suite bathroom with bathtub, shower and separate WC, dressing area.

### Bedrooms two and three

Double/twin bedrooms; en-suite bathrooms with bathtubs, showers and separate WCs.

### Bedrooms four, five and six

Double/twin bedrooms; en-suite shower rooms and separate WCs.

## Eating

Fresh food, expertly produced is what it's all about at Chalet Kashmir.

Each day begins with a delicious and nutritious breakfast to fuel you for a day on Meribel's slopes: homemade yoghurt with fruit compote and a range of pastries and cereals, as well as cooked breakfasts on six mornings with specials such as Eggs Benedict. Tea and coffee is obviously on tap.

When you return from skiing, you can warm up with hot drinks, homemade cakes and biscuits, or a charcuterie platter, if you prefer.

In the evenings, a selection of canapés is served alongside drinks in front of the fire, while your talented chef creates a fabulous dinner. The wines at this luxury ski chalet are carefully selected to perfectly compliment your dinner and your chalet host will suggest some bottles at the start of each meal. House wines are complimentary but an a la carte cellar list is available at an additional cost.

Your chef will also be happy to serve a children's tea earlier on in the evening and on one evening a week you'll have time to explore the local restaurants in town.

# Chalet Kashmir

## Kids

This is an ideal location for a family ski holiday, with spacious open-plan living arrangements and plenty of twin-bedded rooms to sleep kids. Children are well-catered for here, leaving you free to enjoy your time off.

A separate TV room provides a great place for children to hang out and catch a movie while the grown-ups enjoy canapés and a quiet catch-up in the evening.

The chalet can be stocked with everything you need, from toys and games, to cots, highchairs, baby monitors and sterilisers...even toboggans (always essential) so that you don't have to worry about a thing.

Childcare can also be arranged on request.
