

Chalet La Bouclia Val d'Isère, France

What we love...

We love the open plan living and dining area on the top floor with a roaring wood burning fireplace for cosy evenings.

With its graciously arched windows and lofty ceiling, the upper floor of Chalet La Bouclia could have been modelled on a classical Italian villa. But the stunning landscape beyond is a dramatic sweep of snow-capped mountains, rather than an ancient grove of olive trees. This is a luxury ski chalet with cosy charm, located in the world-class resort of Val d'Isère.

Offered on a bed & breakfast basis, Chalet La Bouclia is just the right size for a group of up to eight people, having four spacious en-suite bedrooms and a large open-plan living space above. The huge oak beams and sumptuous fabrics and furs make Chalet La Bouclia feel like a soft, warm nest, overlooking Val d'Isère. Just sink back in front

of a roaring fire and concentrate on the really important things.

If you like to soak up the amber rays of the afternoon sun from your balcony, then this is the sunniest spot in Val d'Isère. Just sit back with a good book and a refreshing drink in the crisp mountain air, surrounded by alpine splendour.

Once you're done hurtling down the slopes for the day, steal away to the tranquil Hammam to revive tired ski muscles.

At the end of each packed day, a peaceful night is guaranteed in your luxury en-suite bedroom and tomorrow will be yet another perfect day in the mountains on your luxury ski holiday.
