

Chalet La Datcha Verbier, Switzerland

What we love...

We love the cosy spa with indoor hot tub, hammam and sauna.

Traditional style, executed with a contemporary touch is what it's all about at Chalet La Datcha. This luxury ski chalet in Verbier has all the cosy good looks of a traditional Alpine chalet and yet is utterly modern in its approach.

When you enter the chalet after a day out on Verbier's slopes, you'll find a ski room with heated boot warmers, laundry room, a WC and shower. Everything you could need to get dry and warm before you collapse in the chalet's cosy living quarters.

Here, in the spacious and airy living room, wood panelling and contemporary furniture and furnishings bring a really comfy and cosy feel. It's impossible not to relax here. A huge L-shaped sofa offers everyone plenty of space to sprawl and catch up in the afternoons, once you've warmed up with hot drinks.

You may also like to head down to the spa in the afternoons, where a hot tub, sauna and Hammam will ease away any aches and pains you've picked up on the slopes. After a couple of hours' relaxation you'll feel fully rested and restored, and ready for the evening's festivities.

After dinner, we highly recommend you take your digestifs out onto the stunning south-facing balconies to enjoy the night air and the views. Then wend your way to your luxury en-suite bedrooms, where every care has been taken to ensure your maximum comfort. Get there early to bag the master suite, which has its own sofa, fireplace and terrace.

We think you'll have sweet dreams in any of Chalet La Datcha's beautiful bedrooms though, and will wake refreshed, ready to tackle all the adventures a luxury ski holiday in Verbier has to offer.

Eating

Chalet La Datcha is a self-catered luxury ski chalet where you can make the most of Verbier's wonderful restaurants. Your in-resort concierge will be pleased to assist with restaurant suggestions and reservations.

If you choose to cook for yourselves, whoever is playing chef that night can still be sociable and chat to friends and family while preparing a meal in the open-plan kitchen. Nearby is the welcoming and modern dining area that can comfortably accommodate 10 at the table.

If you're eating out, we love Chez Dany, an iconic Verbier eatery up in the pretty hamlet of Clambin, renowned for its organic cheese fondue. For more local fare from the Val de Bagnes region, served in the centre of town, you can't go wrong with a delicious meal at L'Écurie.

For an additional fee, your concierge will be happy to provide a pre-arrival shopping service so that your fridge and cupboards are fully stocked when you arrive.
