

Chalet Les Sorbiers Courchevel 1850, France

What we love...

We love the combination of traditional features and modern luxury offered by Chalet Les Sorbiers. It also occupies an enviable location just a stones throw from the piste in the heights of Courchevel 1850.

Chalet Les Sorbiers offers wonderful facilities and a faultless service in the privacy and opulence of your own luxury ski chalet.

Nestled into the mountainside in the heights of Courchevel 1850, Chalet Les Sorbiers offers a peaceful and secluded location and is a stone's throw from the ski slopes.

From its traditional wooden exterior, exposed beams and wood panelled walls and ceilings, to the massive stone fireplace centrepiece, Chalet Les Sorbiers exudes alpine charm, which is complemented perfectly by elegant furnishings and the latest technology.

Sink into one of the soft sofas that surround the roaring wood burning fire and unwind with an aperitif, served by your chalet host,

while your private chef prepares a sumptuous meal. For a stay at Chalet Les Sorbiers is as much about service as it is about your luxurious surroundings. In addition to a chef and butler, your personal team of chalet staff also includes a housekeeper who will ensure that your surroundings remain as impeccable as when you arrived, without you having to lift a finger.

Relaxation features strongly in any stay at Chalet Les Sorbiers, whether it's soaking in the private hot tub, watching a movie on the chalet's TVs or curling up on the sofa in front of the fire.

With the slopes right on your doorstep, and your luxury ski chalet to tempt you, you'll have little desire to venture much further afield.
