

Chalet M Morzine

What we love...

The ultra-stylish contemporary interior and outdoor hot tub with breathtaking mountain views.

Perched high above Morzine, Chalet M is a cut above in more ways than one. The property has been designed to make the most of its extremely enviable location. Double-height windows let the sunshine pour into the property and give you an arresting view of the whole of Morzine as well as the slopes of Pleney and Nyon.

The designer interior is ultra-stylish, with contemporary lighting by Tom Dixon, of Habitat fame, setting off older and artisan pieces, such as the bespoke walnut coffee table in the dining room, handmade by a local craftsman, creating a truly stunning setting for some of the fabulous meals you'll enjoy.

The spacious living area provides a wonderful space for you and the rest of your party to relax and catch up after a day on the slopes. The top-of-the-range multi-zone

entertainment system allows you all to stream music from your own devices throughout the property. Large sofas and inviting armchairs cluster around the modern fireplace to give this open-plan space with double-height ceilings a really warm feel, made all the more cosy by contrast with the fantastic views of the mountains you can enjoy from your chair.

The bedrooms offer lots of space and little luxuries to make your stay special. All the upstairs bedrooms have balcony access so you can enjoy a bit of quiet contemplation with your first coffee of the day.

When you're not on the slopes, you'll find plenty to occupy you at Chalet M. Enjoy an afternoon showing of your favourite film in the 3D cinema room, or book yourself a massage, facial or manicure to treat your skin and pamper your soul.
