

## Chalet Matrix Chamonix, France

### What we love...

We love the outdoor hot tub with stunning views of the spectacular Mont Blanc mountain range...

Sleek, chic and so Chamonix, Chalet Matrix is a top choice for anyone who likes their contemporary with a side serving of comfort.

This luxury ski chalet in the charming Les Pecles area is beautifully situated, on the sunny side of the valley and with fabulous views of the mountains from the chalet itself. Whether you're relaxing in the hot tub on the spacious terrace or sitting around the dining table enjoying a great meal with friends, the mountains are ever present here – and quite a conversation piece.

Inside, as well as the intimate dining area, there's a snug seating space, complete with Apple TV and Netflix and a roaring fire to gather around in the evenings.

When you arrive back at the chalet from a day on the slopes around Chamonix you can dump all your gear in the ski room and be sprawled on the sofas with a hot drink (or a glass of bubbly) in your hand within moments.

There's usually just time for a quiet couple of hours bubbling in the hot tub, soothing any aches you've picked up on the slopes before the evening begins in earnest.

After hours, there's nowhere nicer to let your meal go down than out on the balconies taking in the mountain air. It's enough to give you a yearning for your bed, and there's no comfier spot to lay your head than in Chalet Matrix's cosy and super comfy bedrooms, with luxury en-suites to pamper yourself in and plump pillows and puffy duvets to fall into at the end of each evening. Sweet dreams, indeed.
