

Chalet Menor Meribel, France

What we love...

We love the wonderful indoor swimming pool with counter-flow system, surrounded by modern, stone-clad walls.

Cocooned in a pretty little hamlet but with the awesome views of a much bigger location, this luxury serviced ski chalet in Meribel is a real treasure. Chalet Menor is a traditionally conceived chalet but with thoroughly modern fixtures and fittings and a dose of healthful Scandi vibes bringing fun and relaxation to the Savoyard style of this beautiful wood-clad property.

The indoor swimming pool is breathtaking: simple, stylish and relaxing, with floor-to-ceiling windows that look onto the mountain and open right back for a blast of fresh air while you swim.

A few metres into the garden is a barrel sauna. If you can brave the snow, it's a treat for aching legs and a wonderful place to go to restore body and mind in the afternoons. There's also an outdoor hot tub and

fire pit on the terrace, perfect for lounging around and in with a few glasses of bubbly as the sun sets.

The chalet has fabulous terraces with stunning views of the side of the mountain, which can also be enjoyed from the stylish and contemporary dining area nearby.

The cosy open-plan living area is centred on a huge fireplace with stacks of logs always ready to keep the flames licking as you and your guests gather on the capacious sofas to chat, enjoy a drink and catch up on all the events of the day.

The beautiful bedrooms are each just as relaxing as you would expect them to be, with soft, comfy beds and well-appointed bathrooms with a spa feel.

Eating

Your private chef and butler will ensure all your culinary needs are met at Chalet Menor, and you can be sure of being well fed and watered during your stay.

Breakfast is offered each morning, so you'll leave for the slopes set fair for a day of activity. Once you tire of the snow, your driver will whisk you back to the chalet to enjoy afternoon tea.

Your chef will create mouth-watering dinners each evening and if you have any special dietary requirements, this will be taken into consideration with the menu. If you would like a separate early dinner for the children, that's no problem.

Please note that cost of food and drinks will be charged for separately, allowing the chef to tailor menus to your exact requirements.
