

## Chalet Noma Megève, France

### What we love...

We love the fabulous indoor swimming pool and entertainment complex, with private bar, dance floor and immersive cinema room...

Never has rustic looked so luxurious. The stunning Chalet Noma celebrates natural materials and simple design while also treating you to the best that tech and high-end furnishings have to offer.

Rough-hewn woods and textured stone create a backdrop for this chalet that feels calming and understated and more than a little Zen. But add in a heated private pool, immersive cinema room and en-suite bedrooms that each feel like a boutique spa, and you have a property you might never want to leave.

The six suites in this luxury ski chalet in Megeve are designed with your ultimate comfort in mind, with luxe linens, mountain views from the terraces and private bathrooms where you'll just want to lose yourself for hours. But, nice as it is to enjoy some me-time here, you won't want to miss out on all the fun there is to be had with your group in Chalet Noma.

While it's close to the slopes and the town, this is so much more than a super-convenient base. Chalet Noma really is a destination in itself. When you're not on the snow, there's a fitness suite and heated private pool in the beautiful spa area, where you can easily while away a relaxing afternoon. Party animals will love the dance floor and cocktail bar, that's just made for gatherings of your nearest and dearest. And if you want a bit of downtime, just head to the immersive cinema room to curl up with a movie.

You can relax completely in this private gated residence, but the town and the lifts are just moments away, allowing you to make the most of all that beautiful Megeve has to offer. The property is set within lovely gardens, and with views that are the envy of the town, Chalet Noma is truly as beautiful on the outside as it is on the inside. This one's a real gem.

## Eating

Your private Michelin-trained chef is on hand during your stay to ensure every meal you have here is a memorable one.

When you arrive at your luxury ski chalet in Megeve, a Champagne and canapé reception awaits, setting the tone for the rest of your stay. You'll wake each morning to the smell of a gourmet breakfast being cooked. There are also cold breakfast options if you prefer something lighter.

Megeve is spoiled for wonderful eateries at lunchtime, but we particularly like Face Au Mont Blanc at the top of the Jaillet gondola. Back at your luxury ski chalet, your chef will be preparing your evening meal, four courses of gourmet dishes, and menus created bespoke for your party. The chalet is pre-stocked with a selection of award-winning wines, as well as spirits, Champagne and soft drinks.

On your chef's day off, the chalet staff will be happy to assist you with restaurant bookings in Megeve, from the three-Michelin-starred Flocon de Sel to the simple but delicious Spaggiari pizza bar. There's something to suit every palate.
