

## Pine Lodge Dolomites, Italy

### What we love...

We love whiling away by the panoramic fireplace taking in the stunning scenery as the dedicated in-house team take care of our every whim.

Pine Lodge is perfectly positioned just 300 metres from the ski lifts, with a driver service available for those who prefer to head to the slopes in style. The chalet is nestled in one of the finest positions in the village, on the south-facing side of Val Gardena. This Italian bolthole truly ticks the boxes for even the most revered winter vacationer.

If you are more apres ski than hitting the black slopes, this enchanting ski chalet has everything you need for a cosy day in: a dedicated concierge team, attentive butler and a personal chef.

Take in the stunning scenery of the Dolomites with a glass of specially selected south Tyrolean wine by the crackling fire. Maintain your fitness regime in the indoor swimming pool or fitness room, and rehabilitate

your weary legs after a day on the pistes - take your pick from the sauna or jacuzzi.

The pretty, nearby village centre has a cluster of the finest restaurants and shops, culminating into a picturesque ice rink. Stretch your legs and take in the fresh mountain air on the five-minute stroll, alternatively seek Pine Lodge's chauffeur who will deliver you in comfort.

If the lodge itself is your picture perfect evening, you're in luck: For six evenings during your stay your butler will serve pre-dinner drinks as your chef prepares a gourmet four-course evening meal. Maximise quality time and make memories with your nearest and dearest. You won't have to lift a finger, and why should you? This is your time.
