

Sweet Little Home St Anton, Austria

What we love...

We love the private garden with the sauna hut and hot tub. Have a go at the local tradition of taking a roll in the snow to cool down after the sauna cabin.

This charming chocolate box townhouse is a welcome addition to the usual cookie cutter chalets found in St Anton. Its warm interior is welcoming and bright and the Eames style chairs and woven tapestries have it looking straight off the pages of an interiors magazine.

With open plan living spaces spread over two floors, this chalet is perfect for everyone to find their own space to relax. Whether that be in the cosy lounge in front of the fire with a book, in one of the 7 en-suite bedrooms, out in the hot tub or sauna hut in the garden, you

will feel like you are in your own 5 star hotel at this luxury ski chalet. Be sure to try the local tradition of taking a roll in the snow to cool down after the sauna cabin, but you are warned, it's not for the faint hearted!

In St Anton a central location is like gold dust, and boy has this chalet struck gold! In under a 5 minute stroll (even in ski boots) you will have reached the vast pistes of the Arlberg region, and less than 100m from your door is home to St Anton's best bars and restaurants.

Sweet Little Home

Eating

Breakfast will be served each day to ready you for a day on the slopes, and when you return home from your day's skiing, you'll find tea waiting for you. Drinks and canapés are served before dinner on five evenings.

Dinner is always something special – creative menus combined with high quality ingredients, local wherever possible, and wines specially selected to complement each meal. Menus can be tailored to suit your wishes and your chef will be happy to take into account any dietary requirements.

You'll have two evenings a week to sample the local restaurants of St Anton and your chalet hosts will be more than happy to make recommendations and bookings.

Alternatively, Sweet Little Home can be taken on a self-catered or B&B basis if you prefer, allowing you to set your own schedule during your luxury ski holiday.

Sweet Little Home

Kids

Sweet Little Home is an asset to families. The central location and proximity to the ski lifts makes getting kids off to their morning lessons a seamless and speedy affair.

Complete with a private, snowy garden, Sweet Little Home has the perfect enclosed play area for kids who want to get stuck in and build snowmen after skiing, whilst adults can keep a watchful eye from the comfort of the cosy lounge.

The chalets layout is the ideal space for groups or families to share. With the top floor reminiscent of a master apartment with two bedrooms, two bathrooms and a private living room, this could be the ideal space for one family, or for teens to bunk in together and feel like they are in a real chalet adventure away from those "boring" adults.
