

## Chalet Twenty26 Morzine, France

### What we love...

We love the contemporary feel of this stylish Alpine retreat with those spectacular views of the Dents Blanches Mountains, and the attentive personal service, so you won't need to lift a finger.

Chalet Twenty26's interior design is a modern boutique twist on traditional alpine style. The chalet is just moments from the centre of Morzine, the picturesque Alpine town at the heart of the magnificent Portes du Soleil ski area in the French Alps.

The spacious open-plan living and dining area has stunning views up the valley to the Dents Blanches mountain range beyond and down across Morzine to the pistes of Pleney, and a roaring fire will keep you warm as you sink into the plush sofas with a book.

Full height sliding glass doors open onto the wrap-around balcony, the perfect place to watch the setting sun whilst enjoying a glass of champagne.

The spacious dining table is surrounded by comfortable chairs, so you can explore the extensive wine list and linger over a delicious evening meal prepared by your private chef. And with bespoke catering and attentive personal service, you won't want to leave the chalet.

There are six luxury en-suite bedrooms and the chalet features the latest technology including cinema room with HD projector and surround sound, networked audio system, LCD wifi, printer, games console and on-demand movies.

No mountain home would be complete without a fantastic spa area and Chalet Twenty26 is no exception. You'll find the spa suite in the vaulted cellars with two chambers each focused on different aspects of relaxation. Then head outside to the multi-level terrace with fantastic views of the mountains. This is where you will find the heated outdoor swimming pool and outdoor hot tub, the perfect places to soothe your muscles and discuss the day's antics with friends. You'll also find a charming wood burning sauna and loungers from which to enjoy the tranquility of the mountains with that steaming glass of vin chaud.

Chalet Twenty26 is offered on a 'Relaxed Catered' basis, allowing flexible dining experience on your luxury ski holiday. Service of a private chef for dinner is offered on three nights, so you can explore the many wonderful restaurants in Morzine or cook up your own feast on the other evenings.
