

## Chalet Ultima 1

Crans Montana, Switzerland

### What we love...

We love the entertainment and wellbeing facilities, from cinema and swimming pool to yoga studio and spa.

You won't experience relaxation like this anywhere else. Chalet Ultima 1 is a sophisticated ski-in/ski-out chalet in Crans Montana that truly takes the term 'luxury' to a new level.

This chalet accommodates up to 16 adults plus 10 children, making it an ideal base for several families or groups of friends to get together for a special occasion. It offers all the privacy of an exclusive ski chalet with acres of space for large parties to gather with all the benefits of a five-star hotel including staff who are always on hand to ensure everything is shipshape on your luxury ski holiday.

But we think you'll find it hard to drag yourself away from the chalet and all its charms. Designed in traditional chalet style but with a luxury twist, the rich woods, sumptuous soft furnishings and capacious sofas simply invite one to sprawl, and care and attention has been given to every last detail.

On lazy post-skiing afternoons, make the most of the Ultima spa for some relaxing wellbeing treatments, take a dip in the beautiful outdoor swimming pool or work up a sweat in the fitness room. Perhaps your idea of the perfect quiet afternoon is

stretched out in front of a film with popcorn? Head down to the cinema room and put your feet up. However you like to relax mind and body best, you'll find it here.

In the evenings, gather in the main living area, which is perfect for parties and laid-back gatherings alike, swap stories and enjoy a drink by the fire while your chef prepares a gourmet evening meal. The sophisticated dining room seats 16 under a statement chandelier. Lit by twinkling candlelight, it's a fabulous spot to linger over excellent food and fine wines long into the evenings. After dinner, you might like to head to the cigar lounge or the bar and sit in front of the fire with a digestif with friends, or find a quiet corner to yourself.

When you retire for the night it's to enormous beds and the comfiest of mattresses, with plenty of room to sprawl. Every pillow is plumped and every duvet turned back to ensure you enjoy a completely restful night's sleep and wake ready for more fun in the morning.

For larger groups, this property can be booked alongside Chalet Ultima 2 to accommodate up to 28 adults + 10 children across sixteen bedrooms.
