

Nidus Apartment 3

Lech, Austria

What we love...

We love the state-of-the-art design and the latest modern conveniences offered at this luxury ski apartment.

Discerning groups need look no further than the stylish and contemporary Nidus Apartment 3, a luxury self-catered ski apartment that forms part of an exclusive Nidus residence.

At the heart of the apartment is the open plan living and dining area, featuring a large plasma TV and integrated sound system. Floor to ceiling French windows allows light to flood into the living spaces, leading out onto the terrace where you can enjoy the stunning views of Lech and the snow-capped peaks. Half the living area is taken up by a large velvet sofa, perfect for après ski relaxation and drinks with your guests. For any aches and pains picked up from the slopes, why not steal away to your own private sauna, which you'll find in the master bedroom suite.

The modern and stylish dining space is big enough to seat everyone in comfort, so you and friends and family can happily linger all evening over a leisurely meal. A fully equipped kitchen means that you can cater for yourself.

Each of the five bedrooms have been individually designed and an ode to comfort, with luxury linens, bathrobes, hairdryers and anything else you could need to make your own little home from home.

Nidus Apartment 3 is an ideal base for either a family or group of friends to truly relax and unwind in style, taking full advantage of all that is on offer in the beautiful resort of Lech, part of the biggest and most exclusive ski area in Austria.
