

Rocca Penthouse Val d'Isere, France

What we love...

We love the private spa area with an indoor swimming pool and Hammam.

Spectacular views demand a spectacular property to enjoy them from and you won't be disappointed at Rocca Penthouse, a wonderful new addition for winter 2019/20 season. The views are probably the most impressive feature of this delightful property and the interiors more than match their drama and majesty.

Cathedral style windows, high ceilings and reclaimed wooden beams mean the space is flooded with light but also packed with character. On the main floor a fabulous open-plan living and dining area gives everyone somewhere to kick back after a day on the slopes. A cosy fireplace is a focal point for the room and a place to gather for drinks while your private chef prepares your evening meal.

Upstairs an intimate snug area gives you a place to escape to and somewhere for children to bed down for the afternoon with a movie or to hide out while the grown-ups enjoy canapés and their evening meal. After a long morning on Val d'Isere's snow, an afternoon in Rocca Penthouse's private spa is just the way to relieve any aching arms and legs and restore calm to your soul. As well as the 8m x 3m private pool there is a hammam and a private massage room where you can enjoy a pampering beauty treatment.

The chalet's host and other staff are always on hand to ensure your every whim is attended to here. From keeping fires stoked to ensuring every drink is topped up, you won't have to lift a finger.

Eating

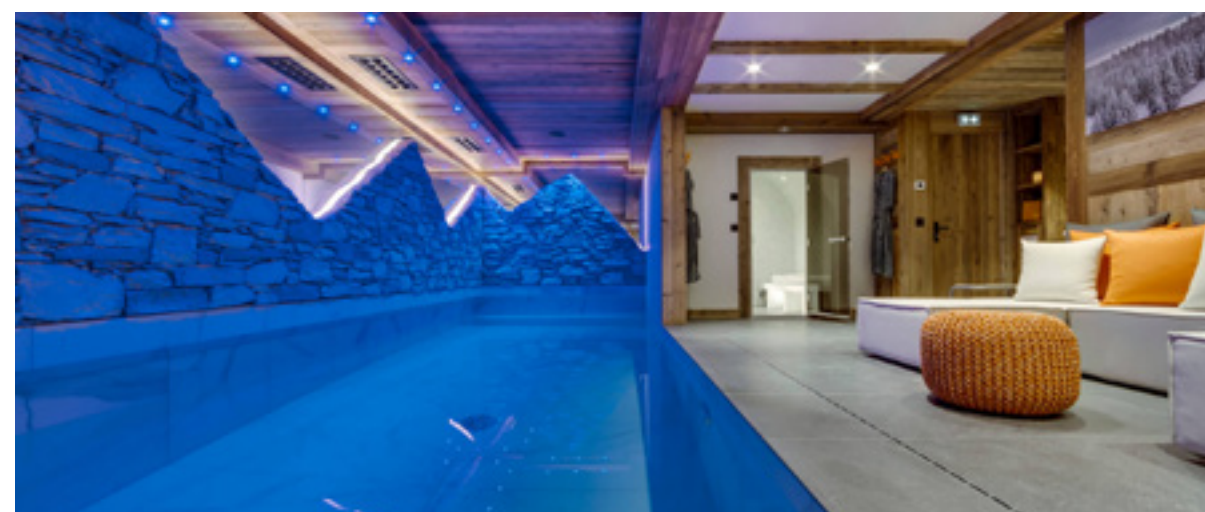

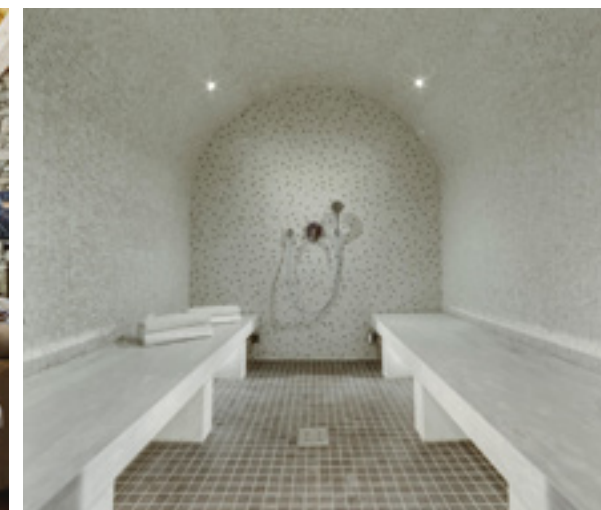

At Rocca Penthouse, food is taken seriously. You'll be looked after by a private chef who will be in touch with you prior to your stay to discuss menus for the week.

On one evening, your chalet host and chef organise a champagne and canapé reception, which lots of people enjoy on their first night, but is also a lovely way to round off your week or celebrate a special occasion.

Breakfast is served each morning and when you return from the snow, an afternoon tea of homemade cakes and bakes, as well as savoury options such as charcuterie platters are spread out to welcome you home.

On five evenings, your chef will prepare a gourmet evening meal and wine lists are carefully selected to match your menus. There's also an in-resort fine-wine supplier, so the host can often source any favourite bottle you request in advance.

On your chef's nights off, the staff will be happy to arrange restaurant bookings for you. Val d'Isere now has two Michelin-starred restaurants so you'll never be short of somewhere for a fabulous meal.
