

The Bungo Morzine, France

What we love...

We love the outdoor terrace with your very own private hot tub and stunning view of La Côte-d'Abroz and Mont Chéry.

This brand new, two bedroom apartment takes advantage of its position with bi-folding doors opening on to a sunny terrace with a hot tub and gas barbecue. A bus stop located at the end of the road offers several routes in to the town centre and the slopes or you can add on our driver service making it an excellent self-catered option.

The apartment has two en-suite bedrooms which can be configured as either twin or king beds. One bedroom has an en-suite shower room whilst the other has a bathroom making it ideal for families with young children. There is ample storage in both bedrooms and you will find The White Company toiletries as well as professional hairdryers and straighteners waiting for you.

An internal boot room with plenty of space to hang ski clothes, skis and helmets leaves the rest of the apartment uncluttered whilst the boot and glove warmers ensure your equipment is dry and warm for the next day. Summer guests can request access to a locked shed for storing bikes.

The large open plan kitchen and living area are bathed in sunshine throughout the day and have bi-folding doors which open up to a terrace with a stunning view of La Côte-d'Abroz and Mont Chéry. The living area is a large, modern, open plan lounge and dining room with full UK Sky TV package and plenty of board games to keep everyone entertained.

The kitchen has a breakfast bar area for casual dining whilst there is also a large dining table for entertaining. All appliances, such as a coffee machine, and a full complement of utensils can be found in the kitchen allowing for easy and practical self-catering. There is also a washer/dryer, Hoover, iron and ironing board making it ideal for guests wanting to stay for longer holidays.

Outside, the terrace has a hot tub, dining table and barbecue making it perfect for both summer and winter. Cold snowy afternoons are always best spent in a warm hot tub with champagne in hand! In summer you can barbecue and alfresco dine in to the late evening as the sun sets on the terrace.
