

## The White Valley Lodge

Morzine, France

### What we love...

We love the view of the Vallee de La Manche from the outdoor hot tub.

This luxury ski chalet in Morzine was created with comfort in mind, and as soon as you enter the property you'll feel enveloped by its warm welcome.

The main living area, with its underfloor heating, huge squashy sofas, bedecked with throws and blankets, and contemporary-cosy dining area makes for a wonderful setting to relax with friends and enjoy all the little luxuries the chalet has to offer. Sit back and admire the views of the valley or just gaze into the roaring fire.

The bedrooms all overlook stunning views of the surrounding valley and have access to either a terrace or balcony from which to admire the views. All are equipped with Bamford luxury bath products, TVs and Sonos sound system and a

team of beauticians and therapists are on hand to come to the chalet and indulge you in facials, massages and even pilates and yoga classes, so you can make your ski holiday a mini spa break, too.

The White Valley Lodge chalet has fabulous views out over the Vallee de la Manche, which are best enjoyed from the outdoor hot tub and why not try the sauna/steam barrel too? Before dinner, there's nowhere nicer to sip a glass of bubbly than out on the terrace as the evening gets darker, looking out into the valley and the forest and back into your cosy chalet as all the lights come on to welcome you inside for dinner.
