

## Victoria 110 and 011 Verbier, Switzerland

### What we love...

We love the access to the hammam, spa, pool and children's games room, it is a real bonus to what is already a fantastic apartment.

It's all on your doorstep here. Victoria 111 and 011 are two of the apartments in the luxurious Victoria and Valentine complex, located slap bang in the middle of beautiful, bustling Verbier.

You'll enjoy access to the complex's exclusive pool, hammam, spa, gym and sauna. There's also a children's games room to keep little ones busy, too.

Victoria 111 is a stylish apartment, sleeping eight in four bedrooms. Faux fur throws, oversized cushions and layers of blankets make you want to sink into the beds every time you pass one, while slate bathrooms with complimentary luxury beauty products provide the perfect place to enjoy a chilled-out soak.

In the main living spaces, wood cladding and white walls are teamed with contemporary furniture and antler-themed objets d'arts for a 'modern country' feel. A Bose sound system and flat-screen televisions throughout make for the perfect finishing touches.

Victoria 111 has all the stunning features you'd expect of a top hotel, but with the convenience and space of your own apartment.

If you'd like to bring a bigger party, through a secure door and private staircase, you can access the bijou but beautiful Victoria 011, a self-contained two-bed which sleeps an additional four people. It makes an ideal add-on for a smaller family joining the group or for a nanny and children, and the additional living space means any kids can enjoy their own area to play or watch DVDs.

With your private chef and host on hand to indulge your every whim, the flexibility of two apartments in one and some of the finest skiing in the world, Victoria 111 and 101 have all the hallmarks of a perfect holiday.

Children will love the Victoria and Valentine complex's games room as well as the spectacular shared pool. The pool is perfect for young families;- lots of room to splash but no direct access from the apartments so you won't find yourself on permanent 'toddler pool watch'.
