

## Villa Cugo Gran Menorca, Spain

### What we love...

We love the huge 26 metre swimming pool, with its beautiful views and luxury sun loungers.

If you're looking for a rustically beautiful retreat that offers both quiet and calm as well as all the perks of a five-star hotel, Cugo Gran certainly fits the bill.

A stay in this 11-bedroom luxury villa in Menorca is like having your own private hotel for you and your friends.

Each bedroom is kitted out with luxury bath products, sumptuous linens and fluffy towels, television and spa-style en-suite, so every guest has their own bolthole to retreat to at the end of each day.

But the communal spaces are an absolute joy – perfect for parties, convivial gatherings of friends or simply relaxing with loved ones. Stone floors, rustic woods and a neutral palette bring a deeply relaxing feel.

From the simple but chic dining areas, to the comfortable living areas and bar, it's the ideal backdrop for getting together with friends and family.

And the outside spaces are as fabulous as those indoors, with beautiful dining terraces and seating areas where you can make the most of the Menorcan sunshine and azure skies while retaining the very highest levels of comfort. And did we mention the jaw-dropping views? Who needs pieces of art when you're surrounded by some of nature's finest work?

For privacy, peace - but with a bit of party atmosphere on tap - all in a stunning location, Cugo Gran definitely delivers.

Set on a private 250 acre estate, this luxury villa is also a beautiful setting for a wedding or other event.
