

Villa Épure

Provence, France

What we love...

We love the impressive double height atrium, giving incredible views over the historic walled town of Vence.

A short walk from the enchanting walled village of Vence deep in the heart of rural Provence, Villa Épure is a stunning contemporary family home providing everything you and your family could wish for.

Translating as the 'Villa of Purity', the simplistic white design is set in its own lavish grounds tilting gently due south towards the rolling hills of Provence and the shimmering Mediterranean Sea beyond.

Laid out over two floors linked by a double height hallway atrium feature, this bright, airy villa sleeps 8 guests across four luxury en suite bedrooms each with their own individual style and design.

The interior is inspired by artists such as Matisse and Picasso who spent time in neighbouring Vence. Splashes of vibrant colour contrast beautifully with the classic white walls of Villa Épure adding a touch of panache to the villa's modern design.

A wander through the open plan interior adorned with contemporary

furniture and classic reproduction artwork, will soon have you feeling you've chosen your luxury holiday home impeccably.

Al fresco dining is what life in the south of France is all about. Parking up under the canopy of a parasol armed with a glass of Provençal rosé and some local canapés watching the sun set over the Mediterranean, is what holidays are made of.

Couple that with the meticulously manicured garden at Villa Épure and you have Provençal paradise. Awash with native plants and fruit trees filling the air with tropical aromas, palm trees swaying in the warm Saharan breeze flowing up from the Mediterranean, the garden setting is simply divine.

As the warm zephyr drifts over the cool, azure swimming pool, relax on one of the numerous luxury loungers dotted around your own personal gardens, sip a gin and tonic brought to you by one of the staff and do what you came to do; chill.
