

Villa Isabelle

St. Tropez, France

What we love...

We love the amazing pool and pool house, surrounded by enough sun loungers for everyone to have a siesta in comfort. And with its outdoor kitchen, you don't need to come in for lunch - your chef can come to you.

As contemporary as it is stylish, this luxury villa in St Tropez ticks all the boxes. The property is not short on rustic Provencal style, yet includes all the mod cons you could wish for and then some. Light and airy open-plan rooms give everyone in your party plenty of space in which to relax in their own company or gather with friends. In fact, whatever is on your wishlist for a luxury villa holiday, the staff at Villa Isabelle will make it their business to fulfil it.

Pampering doesn't come any more comprehensive than this. There's a massage room so you can book some time to yourself to have all your aches and pains soothed away and put body and soul back together. An indoor Jacuzzi or outdoor outdoor hot tub offers a wonderful space in which to relax and while away an afternoon, and then there's the simply stunning private pool, surrounded by sun loungers and served by a luxe pool house with its own outdoor kitchen. With staff always on hand to move sun umbrellas, top up drinks and take orders for food, you could

easily spend all day by the side of the pool here.

Outdoor spaces are certainly made the most of at Villa Isabelle. The property is enclosed by 3,500 square metres of beautifully tended gardens for you to wander through and relax in. Terraces and shady spots to sit are situated at every turn and there are countless sun decks and outdoor eating areas, too.

But the interior is just as much of a treat. A palette of whites and neutrals creates a really relaxing backdrop and open-plan spaces with capacious sofas, long dining tables and relaxed chairs everywhere, makes for a space where it's almost impossible not to relax.

The villa's staff make it their business to ensure every moment at Villa Isabelle is perfect, and the property's position means you're ideally situated to enjoy the very best of St Tropez whenever you choose to venture out. In a town that is known for its glitz and glamour, this is a villa that truly lives up to its location.
