

Villa La Bastide des Virettes

Provence, France

What we love...

We love the peaceful location with enviable views across the Côte d'Azur.

A stone's throw from the enchanting mountain village of Tournettes Sur Loup, this stunning baroque styled villa is oozing with charm, panache and sophistication for you, your friends and family to discover.

Set amongst the rugged hills of the stunning Côte D'Azur, Villa La Bastide Des Virettes is a traditional stone farmhouse set amid the glorious mountains this picturesque region of south east France is famous for.

Traditional stonework and turquoise shutters adorn the outside walls and windows respectively, whilst the artefact finders have had a field day inside. Beautiful furniture and fittings can be admired throughout, all seamlessly complemented by elaborate drapery and stunning chandeliers. Each of the four bedrooms are unique in design and from their individual balconies, offer southerly views across the rolling mountains down to the Mediterranean Sea.

This part of the country is famed for its outdoor living and at Villa

La Bastide Des Virettes you're not short of choice. Outside the kitchen for example, the ivy wrapped pillars supporting the veranda is one dining option you're sure to use daily. Lit with natural flame torches and a wrought iron chandelier above the table, it is a setting fit for a king.

The swimming pool is nothing short of spectacular, bordering on a work of art. On one side you have a wall of dextrously arranged local stonework above which a feeder pool trickles its azure water down creating a soothing waterfall into the main pool itself. A glance behind treats you to bounding views across the green hills down the towards to the shimmering sea. A bubbling natural stone hot tub sits alongside for those lazy evenings with a glass of Champagne soaking up the vista.

With several shaded dining and apéritif areas dotted around the dramatic and beautifully manicured swimming pool area and gorgeous gardens, the only decision you'll have to make is which of the fine local wines to drink and which seating area to enjoy them from.
