

Villa Llenaire Majorca, Spain

What we love...

We love the immaculately manicured grounds this splendid luxury villa resides amongst.

In the increasingly popular northern reaches of Mallorca lies one of its finest luxury villas within, undoubtedly, one of the prettiest settings.

Villa Llenaire is more than a villa. Created to blend in with the other fincas in the region, this property combines historical charm with a modern twist making it the ideal retreat for you and your family. Set in glorious grounds garnished with symmetrical cypress trees, proud palms and traditional Bougainvillea bushes, the scene is practically perfect.

The modest family home itself sits amongst its flowering flora housing three stunning double bedrooms and one master suite. The lucky occupants of which can enjoy, amongst the lavish bedroom and exquisite bathroom, their own private terrace and walk-in dressing room.

Keeping some traditional farmhouse features, the villa has wooden beams throughout offering up contrast and colour whilst combining glass staircases and clever lighting to bring you modern style and grace.

The stylish, comfortable interior brings together the lavish lounge with views across the glorious gardens and a fully equipped kitchen with everything you could need for your stay at Villa Llenaire. In the basement, the gym and children's playroom ought to keep you busy in between visits to the swimming pool.

Lying in the tropical garden oasis, the temptingly turquoise waters of the swimming pool await. Accompanied by a cleverly designed barbecue and dining area, this addition is sure to be the central hub for you and your friends to congregate around during your special time here.

Dining and socialising al fresco is what it's all about in the Balearics and few villas showcase this better than Villa Llenaire. The dining area is also cleverly covered with a stunning white pergola ensuring you dine in the shade. Numerous loungers adorn the gardens too, allowing you to capture every ray of sunshine this gorgeous corner of Mallorca offers you.
