

Villa Mai

Eze, Cote d'Azur, France

What we love...

The stunning rooftop with views of the shimmering Mediterranean as far as the eye can see.

If it's all about the sea views for you, this luxury villa on the Cote d'Azur couldn't be much better placed. It's also only a mere stroll from the stunning Eze beach if you feel the urge for soft sand between your toes, whilst the legendary Monaco is just a short drive away.

Set at the end of a discreet road in the stunning hilltop village of Eze, Villa Mai occupies a magical spot on the French Riviera.

Arranged over five spacious floors and sleeping ten people, this luxury villa with outdoor pool is ideal for groups, whether you're staying en famille or with a gaggle of mates.

Your stay will start memorably as the private elevator whisks you to the top floor living room, where you'll enjoy panoramas of the Mediterranean and Cap Ferrat. But then you'll enjoy stunning sea views from every vantage point, framed by floor to ceiling windows and accentuated by cool neutral tones.

There's also enough gadgetry to delight the most discerning techie, with iPads in each bedroom controlling the lighting, room temperature and sound.

Outside, you'll find an array of sun-dappled terraces and alfresco lounges at this luxury villa. The breath taking roof top terrace with vistas across the bay is arguably the 'piece de resistance' and the ideal spot for your morning latte.

Your live-in maid will keep the villa spick and span throughout your stay so you need never lift a finger on your luxury villa holiday.

Enjoy lunch in the shady pool house followed by a nap on a daybed or refresh your tan beside the 12-metre pool, which is heated to 27 degrees.

If you're feeling lively after pre-dinner sundowners, you might nip over to Monaco – home to casinos, opera and A-List frequented nightspots, along with the world famous Grand Prix.

Alternatively, you could simply shrug on a fluffy robe and retreat to the sauna and steam room at this luxury villa, as your cares float away on a balmy Mediterranean breeze.
