

Ultima 5 Bedroom Chalet Courchevel 1650, France

What we love...

We love the shared on-site spa and beauty lounge, where you can grab a massage, float in the swimming pool or soothe aching limbs in the sauna and Hammam, all between ski school and dinner.

If your ideal luxury ski holiday involves all the comforts of a five-star hotel and all the peace of a private chalet, you might have found your perfect match.

As guests of Ultima Courchevel, you'll have shared access to the exceptional spa and wellness amenities for some serious pampering after a hard day on the slopes. Boasting not one, but two on-site spa areas with treatment rooms, indoor and outdoor swimming pools, sauna, Hammam, outdoor Jacuzzi, as well as a mountain-facing gym. There's also a gourmet restaurant and a bar nearby for Ultima guests.

This prestigious and brand new Ultima development is home to a collection of luxury chalets, situated close to the Belvédère piste so you never waste a moment in the mornings getting out onto the snow.

We know you enjoy a little privacy and quiet, so each chalet is entirely self-contained and attended by

discrete on-site staff who are always on hand to help and yet virtually invisible.

And it's always a warm welcome when you return to your chalet. The interior has a contemporary gentlemen's club feel, with capacious sofas and armchairs arranged close to floor-to-ceiling windows with magnificent mountain views, a fire roaring ready to warm you through and a cosy dining area for enjoying long meals into the evenings, or a catch-up over drinks après ski.

Each of the en-suite bedroom suites is designed to be super comfy, with luxury bedlinens, Chesterfield headboards and sumptuous throws and cushions for your snowy bolthole. We guarantee you'll enjoy sweet dreams here.

Please note: there is a collection of chalets within the Ultima development and the internal images are of various properties, shown as a guide to reflect the style and decor.
