

Chalet Ultima 2

Crans Montana, Switzerland

What we love...

We love the entertainment spaces, both the private library and cigar lounge in the chalet and the exclusive spa, fitness and cinema rooms shared with Chalet Ultima 1.

An exclusive location demands a property that's something a little special, too, and Chalet Ultima 2 is a luxury ski chalet that offers plenty of both.

Perched up on the Plateau de Plan-Mayens, this luxury ski chalet has a secluded feel, an intimate atmosphere and design features to die for, as well as being close to some of the best skiing in Europe.

Six master bedrooms each come equipped with spa-style en-suites and dressing rooms and are kitted out with only the most comfortable beds, stacked with soft pillows and cosy throws to make every room a wonderful winter bolthole.

There's plenty of room here both to entertain and to find your own space to relax quietly, with a cosy living space decorated in traditional Alpine style with a modern twist, a cigar lounge to retire to after dinner and a library and office space, too.

Whether you're gathering around the fire with your party in the evenings or cosying up with a book in a quiet corner, everyone will find space for themselves, however they prefer to relax.

Guests can make the most of the facilities shared with its sister property, Chalet Ultima 1, from the spa and clinic where you can indulge in a range of pampering wellbeing treatments, to the beautiful outdoor swimming pool and fitness room. There's even a cinema room - an ideal place to while away an afternoon with a movie and popcorn.

Staff are on hand to ensure every aspect of your break is just perfect, whether that's working out menus that will delight everyone in your party, ensuring your beds are turned down and totally inviting every evening, or organising days out and activities so that every day is full of adventure.

Eating

Fine wines and excellent food are two of the cornerstones of a stay at Chalet Ultima 2. For the duration of your visit, you'll be in the safe hands of one of the best private chefs in the world, who will cater for all your needs.

Breakfast is served each morning as you wake, so that you can be first onto the snow if you want to. Or if you prefer a more leisurely breakfast over several coffees, that's also to be encouraged. When you return from the slopes, an afternoon tea will always be ready and waiting for you to warm you through.

In the evenings, your private chef will conjure up tantalising meals throughout your stay. Whatever you have in mind, be it family-friendly meals, small, romantic celebrations or catering for a large gathering, your chef will plan it with you and bring it all together. Any dietary requirements, whims and wishes can all be taken into account when menus are being designed, to ensure every meal is one to remember for all the best reasons.

Please note that cost of alcoholic drinks and evening meals are charged for separately, allowing the chef to tailor menus to your exact requirements.
