

Chalet Zeno

San Cassiano, Italy

What we love...

We love the chalet's private spa facilities, with an outdoor hot tub and Finnish sauna in the garden.

Chic, sleek and right in the heart of the action, Chalet Zeno ticks all the boxes for a family or small group of friends looking to enjoy a luxury ski holiday.

The chalet's interior is thoughtfully designed to be a real home-from-home. Open-plan and airy, with comfy sofas you can just sink into and floor to ceiling windows, there's plenty of room for your party to spread out. But this luxury ski chalet offers the ultimate in relaxation too and you won't find a trace of twee in evidence. Contemporary style is most definitely king at Chalet Zeno. State of the art design, top-of-the range furnishings and luxe fabrics set the oh-so-tasteful scene.

For those who would like a little pampering as part of their break, guests at Chalet Zeno can enjoy their own private outdoor hot tub and Finnish sauna, as well as shared use of the hotel's exclusive spa

facilities. Nine tranquil treatment rooms are complemented by two indoor heated swimming pools (one exclusively for adults), a fully equipped gym, yoga studio, Jacuzzi and hydrotherapy areas including a Turkish Hammam, Bio sauna, Finnish sauna and cold plunge pool complete the facilities. Other hotel facilities include a private 12-seat cinema, library and games room, providing plenty of indoor entertainment.

Part of the exclusive family-run Rosa Alpina An Aman partner hotel located in the heart of San Cassiano and just moments from the Piz Sorega lift station, it's a superb location for those serious about skiing and exploring the Dolomiti Superski ski area. In short, Chalet Zeno offers the best of both worlds: all the privacy of your own luxury ski chalet, yet with all the convenience and high levels of service of an exclusive hotel.

Eating

Excellent food is one of the cornerstones of a stay at Chalet Zeno. Each morning, you're invited to enjoy a breakfast buffet in the Limonaia restaurant to get you set up for a morning's skiing.

Rosa Alpina hotel boasts a selection of on-site restaurants, which you can enjoy without having to trek all over town. For lunch, and also available for evening meals, you can't beat the family style Italian dishes at the Wine Bar & Grill with an authentic wood-fired pizza oven, offering a creative take on local cuisine inspired by the 'Cook the Mountain' culinary concept.

Guests can also choose to dine at two additional on-site restaurants for dinner. Fondue lovers will rejoice and can enjoy an intimate atmosphere of the Fondue Stube. As well as serving traditional meat and cheese fondues to satisfy savoury palettes, why not indulge in a chocolate fondue to round off your evening.

Alternatively, the 3 Star Michelin St. Hubertus restaurant will excite those looking for a gourmet dining experience, headed by the legendary chef Norbert Niederkofler with his 'Cook the Mountain' philosophy.

Chalet Zeno itself is equipped with an open-plan kitchen and dining area; very well appointed with everything you need should you wish to cater for yourselves in the comfort of your chalet. If, however, you prefer a more relaxed experience during your luxury ski holiday, a private chef service can be arranged on request.
