

The Penthouse San Cassiano, Italy

What we love...

We love the apartment's private Finnish sauna with forest views...

Luxury knows no bounds at The Penthouse. Part of the exclusive Rosa Alpina An Aman partner hotel in the heart of San Cassiano, The Penthouse offers all the privacy of your own luxury ski chalet with all the convenience and high service level of an exclusive hotel.

Perched on the fourth floor with private lift access, The Penthouse offers the ultimate in style, comfort and sophistication. Only the highest standards have been used when designing the fabulous interiors, combining alpine charm with elegant Italian designer furnishings. The living space is what really makes this luxury property. A huge, open-plan seating area, with capacious sofa offers a simply stunning spot to catch up with the rest of your party after a day on the slopes.

Each of the three bedrooms is an ode to comfort, with luxury linens and anything else you could need to make your own little home from home on your luxury ski holiday. The master bedroom even has its own private Finnish sauna and steam showers in all the en-suite bathrooms.

After a hard day on the slopes, pad down to the hotel's exclusive spa area for some serious pampering. Nine tranquil treatment rooms are complemented by two indoor swimming pools (one exclusively for adults), a Jacuzzi and hydrotherapy areas including a Turkish Hammam, Bio sauna, Finnish sauna and cold plunge pool complete the facilities. If skiing isn't quite enough, guests are welcome to use the yoga studio and fully equipped gym should you wish to maintain your fitness regime. Other hotel facilities include a private 12-seat cinema, library and games room, providing plenty of indoor entertainment.

Please be advised that whilst The Penthouse is best suited for adults groups due to the delicate details and design, family groups with young children may be considered, therefore please don't hesitate to enquire.
