

Chalet L'Ours Rouge

Meribel Village, France

What we love...

We love the apartment's spacious open plan living area, leading onto the sun terrace with the hot tub bubbling away.

Right in the heart of the charming Meribel Village, lies a stunning chalet apartment created with skiers in mind. Located minutes from the Lapin piste and Golf chairlift making it ideal for those wishing to get their boots on and get skiing.

Chalet L'Ours Rouge is a modern apartment, thoughtfully created bringing the old and new together with consummate ease. Wood clad walls and matching parquet floor gives the apartment warmth and a touch of luxury throughout.

The vast open plan living area complete with luxury L-shaped sofa and matching - and very cool - single seat loungers compliment the zinc plated fireplace. The dining area works beautifully amongst all the herringbone carpentry and

with the marble kitchen worktops, allowing you to watch your talented chef at work while you relax with your friends, over fabulous food and fine wines.

If you take your relaxation seriously, take a glass of bubbly out to the hot tub where you can ease any aches and pains you've picked up on the slopes.

The bedrooms are also complete with exquisite timber work, lavish linen and faux fur throws. All accompanied with marble bathrooms and the finest towels and toiletries and your much needed pampering really does start here. The master bedroom offers stunning mountain views whilst a fourth bunk room will keep the kids warm and cosy together.
