

Green 10 Villas at Finca Cortésin Ibiza

What we love...

We love the balance of having your own private villa but with all of the facilities of a renowned, 5* hotel on your doorstep.

Elegant surroundings, pampering on tap, a pool all to yourself and a good dose of sunshine. It's a combination pretty much guaranteed to ensure you return from your holiday with both body and soul feeling rejuvenated.

Green 10 Villas in Marbella are set in the grounds of the highly exclusive Finca Cortésin Hotel, named after the acclaimed greens of the golf course on which they take prime position. Not one, but four of these luxury villas are available for the ultimate summer sojourn in Spain, with magnificent views of the Sierra Bermeja mountain range. A perfect blend of privacy, but with all the services of a 5* hotel at your beck and call, you can enjoy your own private bolthole, but at the same time take advantage of the hotel's stunning facilities, which include a luxury spa and one of the best golf courses in the world.

There are several restaurants an easy walk (or buggy ride) from the villas - everything from laid-back Italian to top notch Japanese fare. In the mornings an a la carte breakfast is served at El Jardín restaurant to set you up for whatever the day has in store - waterskiing, horse riding or maybe a dip in the pool and an afternoon in

the spa with a good book.

Green 10 Villas have a very zen feel to them. It's almost impossible not to relax here. Bright rooms, flooded with light are decorated in a neutral palette of whites to maximise the feeling of space, while pale woods and wicker furniture add to the airy feel. Bold botanical art prints on the walls and geometric patterned soft furnishings bring splashes of colour.

The five, (and in one villa, six), en-suite bedrooms have been designed with your ultimate comfort in mind - the perfect retreat for some peace, quiet and uninterrupted sleep. And behind the traditional Spanish white exterior and old-fashioned comforts, the villas also have an impressively modern side, with contemporary interior design and plenty of gadgets to make life easier.

With so much to do at Finca Cortésin, you will be hard pressed to decide between a stop at the snow cave and heated indoor pool of the spa, a game of tennis or a workout in the vast gym. For a relaxing evening, wander out onto the outdoor deck to sit by the pool with a drink or simply kick back with friends or family and enjoy the wonderful views of the sea and the striking mountain range.

Rooms

Green 10 Villas sleep 10 people across five bedrooms, (or 12 people across six bedrooms in one of the four villas). Each bedroom has an en-suite bathroom. Two master bedrooms have a safe. Three bedrooms come with twin beds and two with king-sized doubles.

Please note one of the four villas has 6 bedrooms available, in which there are 2 master suites and 4 twin rooms.

Eating

On arrival you'll enjoy a welcome drink and Spanish tapas reception overlooking the majestic mountains, to set the tone for your holiday.

Daily a la carte breakfast in the hotel's El Jardin restaurant is included each morning to set you up for whatever the day has in store, and there's always a seasonal fruit bowl and bottled water in the villa for everyone.

The hotel has several restaurants spoiling you for choice. As well as El Jardin, the main restaurant specialising in traditional Spanish dishes which is open for breakfast and dinner, there is also Kabuki Raw, where Japanese and Mediterranean dishes are fused effortlessly (dinner only and seasonal opening).

Experience an exquisite atmosphere

To Book, call +44(0)203 432 7784

at lunch time at Pool 35 Restaurant, where a daily market menu with the fresh produce is cooked in a Jospier Basque Grill and a Monolith Kamado Grill, delivering the best in Mediterranean cuisine.

A nod to a European neighbour, Don Giovanni is an Italian eatery open for dinner in summer, recreating the authentic taste of century old, traditional dishes that only get better with age.

For a light dish, salad or sandwich, take a seat in the Blue Bar, or savour a classic cocktail in the Moroccan and Indian inspired lounges.

Or if you prefer the sound of the ocean to accompany your meal, head to the hotel's very own beach club for fresh seafood dishes and crisp salads, with sun loungers on the water's edge for you to doze off after a hearty afternoon dining.

Kids

Families will find so much to keep them busy at Finca Cortesin. As well as your own private pool in which the kids can make a splash, the hotel has one indoor pool, and three outdoor pools, as well as a magnificent beach club. Children are made very welcome at the hotel. Cots can be arranged on request and 2 hours of baby sitting is provided free of charge for up to 2 children when staying in the villas for 7 nights or more.

Older children can get stuck into some of the many activities on offer, from kite-surfing to horse-riding tennis and sailing. And, of course, in winter you can even ski.

Location

Green 10 Villas at Finca Cortesin are part of the Hotel Finca Cortesin estate, which is set between Marbella and Sotogrande.

The nearest airport is Malaga, which is a 40 minute drive away.
