

Chalet Amourette Val d'Isere, France

What we love...

We love the high ceilings and huge double-height windows in the living area which frame the surrounding Val d'Isère mountain views.

Majestic mountain views and understated Savoyard style come together to create a thing of beauty in Chalet Amourette. In fact, this spacious, traditional French chalet is everything you could want from a winter home-away-from-home.

The centrepiece of the first-floor social space is the huge brick fireplace, complete with a wooden chimney breast which reaches right up the height of the open-plan two storey room. Surrounding the fire you'll find soft, squishy sofas and a large adjacent dining table which leads onto the kitchen. Best of all, from every spot in the living space there are stunning views out through the gigantic picture-frame

windows. So sit back with a mulled drink, look out onto your private terrace and gaze at the snow-capped peaks beyond.

Away from the social areas, there are four en-suite bedrooms, each decorated with wood-clad walls and calming, earthy colours that will help you drift off into a peaceful slumber. For even more unwinding and relaxing, Chalet Amourette also provides guests with an outdoor hot tub on the terrace, as well as a dedicated spa room with a Hamman, rock shower and gym equipment. And, if lying in front of the TV is more your style, the cosy mezzanine snug is the ideal place to hide away for a few hours.

Alternatively, for those happy to cater for themselves, the kitchen is very well appointed with everything you need to make cooking a pleasure. The dining area makes for the perfect spot to relax over a long, leisurely meal with friends and family.

Chalet Amourette

Kids

The littlest members of your family will love Chalet Amourette just as much as you. After all, days don't get much better than when made up of skiing or sledding, followed by a large slice of chocolate cake and then a splash in the hot tub on the terrace.

To add to the chalet's child-friendly list is the cosy mezzanine TV room, which is easily turned into a kids-only den. Meaning parents can unwind on the sofa after dinner, while the youngsters play or watch a film out of the way upstairs.

For those travelling with tiny ones, baby cots and highchairs can be supplied. Nannies and babysitters can also be organised on request.
