

Chalet Goldilocks Morzine, France

What we love...

We love the immaculate contemporary Alpine interiors, featuring huge windows which provide some of the best views in Morzine.

Uninterrupted mountain views as epic as those from Chalet Goldilocks are usually reserved for the outskirts of ski resorts, but this luxury pad is just a 10 minute stroll from central Morzine – what’s not to love.

The state of the art chalet is spread across three floors and provides all the space you’d need to holiday as a big group, with four spacious bedrooms plus a kids bunk room. The sociable, open-plan living spaces are found on the top floor of the chalet and include a fully-equipped kitchen with dining table, an al-fresco balcony dining area, and an elegant living room up in the wooden eaves. Down on the first floor there is also a large cinema room, for cosy movie nights after a day on the slopes.

Throughout the chalet the décor is stylish and contemporary, and everything has been finished to the highest standard. In the living areas, bright blue features have been used to bring vibrancy to the otherwise neutral colour palette, which features lots of beautiful

natural materials such as marble, wicker and exposed timber. Huge glass windows and doors stretch from floor to ceiling and fill the space with light – and of course those epic mountain vistas. Meanwhile, in the bedrooms, the décor is similarly elegant, with calming colours and hotel-quality soft furnishings that’ll make it hard to get out of bed in the morning.

When it comes to staying entertained at Chalet Goldilocks, there’s plenty to keep you occupied. Of course there’s the cinema room, but there’s also a gym and you have your own private garden with a hot tub. So head outside and soak under star-filled skies before sipping a drink or two around the fire pit – après ski doesn’t get any better.

Chalet Goldilocks is offered on a ‘Relaxed Catered’ basis, offering flexible dining experience on your luxury ski holiday. Service of a private chef is offered for dinner on three nights, so you can explore the many wonderful restaurants in Morzine or cook up your own feast on the other evenings.

Eating

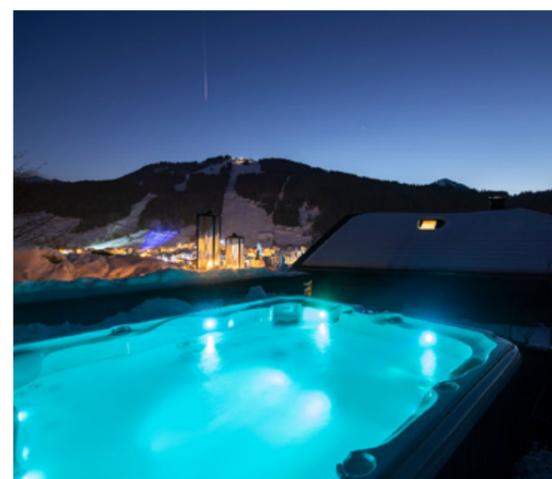

Chalet Goldilocks is offered on a relaxed-catered service, ideal for those who want the best of both worlds.

Each morning, your chalet host will lay out a hearty continental breakfast every morning plus a selection of hot options, so you're set up for the day ahead. When you return home each day, afternoon tea with either sweet or savoury tart from the local artisan pâtisserie will be set out for you to enjoy.

On three nights, dinner will be prepared by a private chef and early kids' tea can be arranged if required. A cheese and charcuterie platter will also be set out for you to enjoy on one evening.

This will then leave you free to enjoy some of Morzine's wonderful restaurants, order a takeaway or cook for yourselves on the other nights.

The chalet will also be pre-stocked with a selection of house wines, spirits bar with speciality gins, craft beers and European lager for guests to enjoy.

Kids

Do child-friendly chalet amenities get better than a hot tub and a dedicated cinema room? No matter what ages your kids are, they'll love Chalet Goldilocks just as much as you, taking full advantage of movie nights and starlit hot tub soaks.

To add to the excitement, the firepit outside in the garden is the ideal place to toast marshmallows or s'mores after the slopes, and the balcony views are perfect for shooting enviable TikTok content.

Your chef will prepare a child-friendly early supper. Come bedtime, you can pile them all into the bunk room - where they'll no doubt fall asleep swapping stories like they're at a sleepover, leaving you free to crack open the wine!
