

Chalet Feuillu

Verbier, Switzerland

What we love...

We love the chalet's location, a short stroll to Place Centrale and the Médran, making it the ideal position for skiers or non skiers...

Contemporary design meets classic comfort in this rather special luxury ski chalet in Verbier. Newly built for 2022 season, Chalet Feuillu is an ideal find for a family or small group looking for a luxury self-catered chalet that is as convenient as it is beautifully designed.

After a day on Verbier's slopes, leave your ski gear down in the boot room and head up to the chalet. The open-plan living space is a cosy retreat, with a stone fireplace at its heart to gather around with friends. From here, wander out onto the balcony with your first coffee of the day or an après-ski tippie and soak in the breathtaking mountain views.

At the other end is the modern dining area, a dreamy space in which you'll enjoy long, leisurely dinners. The sleek, open-plan kitchen is very well appointed with

everything you need should you wish to cater for your party in the comfort of your chalet.

Once dinner is over, take after-dinner drinks back to the roaring fire or out onto the balconies to watch the stars twinkling over the mountains. Alternatively, for the more competitive members, the dining table can be flipped and transformed into a pool table for post-dinner entertainment.

Then it's off to bed. Each of the luxury en-suite bedrooms is decked out beautifully with luxury linens, bathrobes, hairdryers and anything else you could need to make your own little home from home.

With an in-resort concierge service to ensure you have all you need, a stay here has all the convenience with all the flexibility of luxury self-catered ski holiday.
