

Chalet Tire Bouchon Verbier, Switzerland

What we love...

We love the chalet's elevated position, with breathtaking views of the surrounding mountains and across to Bruson...

Perched high on the mountainside with panoramic views, Chalet Tire Bouchon is a peaceful bolthole for groups of family and friends to share. With an extra dollop of cosy makes it somewhere you're glad to come back to each day after a morning on Verbier's wonderful slopes.

The warm and inviting living room, with its comfy sofa and armchairs gathered around the beautiful stone fireplace is the perfect spot to get together with the rest of your party and catch up on all the events of the day. Thoughtfully and cleverly decorated, Tire Bouchon offers much more than a luxury ski chalet – it's like staying with a friend with truly excellent taste. As soon as you step through the door from the snow,

you feel cosseted by the property's intimate and cosy interiors.

As well as the main living space, this luxury chalet has plenty of alternative nooks for chilling out. The separate TV room great if you have energetic children who need their own space, or for anyone who likes to squirrel themselves away with a good book.

A south-facing balcony puts the icing on the cake of this truly stunning luxury ski chalet. Sneak out there with your after-dinner drinks to watch the lights twinkling on over Verbier before retiring to uber-cosy bedrooms, designed with only your comfort in mind for a peaceful night's sleep.
