

Apartment Le Blanchot Val d'Isere

What we love...

We love how homely this space feels... not to mention it's just a stone's throw from the piste!

Apartment Le Blanchot is the perfect spot for those with either a quiet holiday, or an adrenaline pumped ski week in mind. For the sports enthusiasts, the slopes are just at the bottom of the residence, and for the ultimate relaxers, the views and the comfort of the apartment are beyond easy to enjoy – it really has the best of both worlds.

The apartment incorporates Savoyard authenticity in the architecture and design, covered head to toe in old wood and complimented by modern colour tones. The soft, velour sofas are the prime evening relaxation spot,

brought to life by many a fur throw. The living room has a big mirror, that not just makes the apartment feel bigger, but gives you a whole new perspective on the breathtaking mountains outside. You can enjoy overlooking the slopes from the terrace with a morning coffee or après-ski tippie in your hand.

With one main bedroom and one mountain corner snug with bunk beds for the kids, this cosy space is ideal for family or friends who want to put being together at the centre of their holiday. Here is a spot not just for views, but for relaxing in your little cocoon, together.
