### What we love...

We love how the modern and traditional alpine décor complement each other in this space.

In the style of a traditional property, Chalet Alice feels sophisticated yet relaxed. Located in the hamlet of Les Fermes de Val, here you can recharge your batteries swathed in calm whilst still being in close proximity to the village centre.

As soon as you walk through the door, let the warm atmosphere of Chalet Alice surround you. The sumptuous living area has a lovely fireplace and squashy sofas gathered around it, providing lots of room to lounge and relax in together. The décor is tasteful with fun splashes of colour making cheeky appearances throughout. With its modern decoration, generous space and its exceptional views, Chalet Alice is an ideal holiday home for your Alpine getaway.

Chalet Alice is laid out with privacy at the forefront, comfortably sleeping eight people. With the four bedrooms and four bathrooms you'll each have plenty of space.

Upon arrival you'll be greeted by a member of the team who will show you around your little hideaway. They'll walk you through the modern kitchen, past the stone fireplace and around the Hammam, the private pool and the massage room helping you feel at one with the space.

After a day out shredding, abandon your ski gear in the boot room and step inside the welcoming living area to gather in front of the fire or out on the terrace. Here you can contemplate nature overlooking the ridgeline above. From the master bedroom nestled under the beams, to being curled up in the sofa facing the snowy peaks, you'll experience truly wholesome days here. You have a whole team dedicated to your stay. Your resort manager and concierge service will take care of the little details, like delivery of your ski equipment before the fun begins. Enjoy a home away from home in the mountains, indulge yourself, relax and the team will take care of everything for you.
