

Villa Chipperfield Ovest Lake Garda

What we love...

We love the separate one-bedroom guesthouse – it's ideal for multi-generational holidays or those seeking a little extra privacy.

Steeped into the hillside to make the most of the breath-taking views over Lake Garda and the mountains beyond, Chipperfield Ovest is a Mediterranean oasis with a striking minimalist design. It's a glorious modern take on the region's classic 'lemon houses'.

This luxury Lake Garda villa has been designed for effortless indoor/outdoor lakeside living. Huge floor-to-ceiling windows frame the view in every room, while outside, you'll find expansive terraces for lounging and a stunning double-storey pergola running the length of the property.

The main villa houses three light and airy ensuite bedrooms. Sociable entertaining spaces include a ground-floor dining room and two living areas – one of which opens onto the pool terrace, where the

large pool is perfectly placed for guests to gaze out over the lake. For indoor relaxation, make the most of the soothing spa and sauna.

There's also the bonus of a separate guesthouse with its own bedroom, shower room, living area and fully equipped kitchen, perfect for multi-generational holidays or those seeking a little extra privacy.

The dining options at Chipperfield Ovest are delicious and plentiful. Guests will enjoy a room service breakfast, as well as meals whipped up by a private chef at lunch or dinner time. For snacks, there's a 'maxi bar' filled with complimentary treats and non-alcoholic drinks. As the villa is situated in the gardens of a boutique luxury hotel, guests also have access to exclusive facilities, including a gourmet Italian restaurant.

Kids

Children will love the large private pool here and can happily splash about for hours. The resort also provides e-bikes, so older children can get a helping hand whizzing around with you, as well as a private golf cart for when exploring the resort gets too much for little legs.

The villa's location, close to lakeside activities, offers lots of fun for all the family. A 10-minute downhill walk away, Gardone's pebble beaches have Blue Flag status and out on the lake, watersports include paddle boarding and canoeing.

In the evenings, your chef can cater for early children's mealtimes, leaving you to relax and enjoy grown-up dinners in peace.
