

Chalet Brioche Meribel

What we love...

We love the secret garden terrace with its sunken hot tub and back-to-nature barrel sauna.

Chalet Brioche is a luxury ski chalet in Meribel that offers supreme comfort and mountain-style charm in spades. With its attractive Savoyard stone and timber exterior, the chalet makes a mesmerising first impression, and from the moment you step through the door you'll notice the warmth of the home-from-home vibe. Chandeliers and custom lamps create a luxe feel, while wood-panelled walls and terracotta floors keep things cosy.

The restful en-suite bedrooms occupy the ground and second floors, with the first floor dedicated to the communal area. Here, a dining room has plenty of space for everyone to gather around and provides an ideal spot to enjoy a leisurely meal with friends and family. The hub of the home is the

light-filled lounge, where plump sofas are set around a crackling open fire to provide an inviting space for games, movies and catch-ups over glasses of wine.

One final surprise awaits, and it's the perfect place to unwind after a day on the slopes. Head out to the garden terrace and you'll find a sunken hot tub and a barrel sauna perched at the edge of woodland for blissful post-skiing relaxation.

Flexible services such as the 'contactless' catering and in-resort shuttle service allow you to decide exactly how you spend your time here, and give you total privacy, too, in your fairytale chalet on the mountain.
