

Chalet Marielaine Meribel

What we love...

We love the sunken garden hot tub, which has a beautifully crafted wooden roof and peeps out to the snowy slopes.

Prepare to be spoilt at this luxury ski chalet in Meribel, where every detail has been carefully considered to offer total comfort and relaxation. Chalet Marielaine is a charming stone and timber Savoyard-style chalet with a beautiful mountain backdrop.

This catered chalet is far more than just a base for a luxury ski holiday. You'll be well looked after by a chalet host and manager, and exceptionally well fed and watered by a private chef; afternoon tea, canapés, four-course dinners and complimentary glasses of personally selected wines come as standard.

The floor plan follows a homely layout, with the three cosy ensuite bedrooms on the first floor, each

beautifully furnished with a modern alpine décor. The ground floor is dedicated to a generous open-plan kitchen/diner/lounge. A large feature fireplace provides a focal point around which to gather or curl up with a good book, and on sunny days the double doors can be flung open to the terrace so you can breathe in the fresh mountain air.

Outside, the garden is a lovely space with a covered sunken hot tub and a wooden barrel sauna secluded between the chalet and the slopes.

For larger group ski holidays, Chalet Marielaine can be hired together with sister properties Chalet Brioche and Chalet Mariefleur (subject to availability) to accommodate up to 27 guests.

When you return from skiing, afternoon tea will be waiting to warm you up.

Come the evenings, sit and relax with an aperitif and canapés as your talented chef prepares a delicious four-course dinner matched with a handpicked selection of wines.

As is common for catered ski chalets, you'll enjoy this fully catered experience five days out of seven. On the chef's days off, a continental breakfast will be offered and you will have the opportunity to choose from Meribel's excellent range of restaurants for dinner.

Kids

There's plenty of child-focused fun to be had in Meribel, and Chalet Marielaine's staff can help with booking ski lessons and non-ski activities.

When it comes to sleeping spaces, one of the bedrooms has an additional single bed on a mezzanine level that's ideal for a child.

Location

Chalet Marielaine is situated in an exclusive cul-de-sac in Mussillon, towards the edge of Meribel. It occupies the same building as sister property Chalet Brioche and is next door to Chalet Mariefleur.

The chalet is well located, and guests can reach the town and ski lifts in a 15-minute walk. But the use of an in-resort minibus service (8am to 8pm) to get you to and from the slopes, town centre and après-ski bars means there's no need to walk anywhere. A local ski bus also runs until midnight for those evenings when you simply lose track of time.

The nearest airports are Chambéry, which is approx. 1 hour 20 minutes away, and Lyon and Geneva, both around 2 hours away.
