

Chalet Foulon Verbier

What we love...

We love the sleek design of Chalet Foulon which flows seamlessly into the indoor and outdoor wellness spa.

Chalet Foulon is a stunning four-bedroom chalet sleeping up to 6 adults and 4 children, brand new for winter 2022/23 season. Nestled near the rustic Verbier Village area, the designers have managed to merge the traditional farmhouse style with sleek modern architecture and décor. The dark features contrast with the light wood interior giving a dramatic and impressive overall effect, making it the perfect setting for your holiday with your loved ones.

From the minute you walk inside, you'll be in awe of the elegant open plan living area. With a large dining table to seat ten, your dinners will rival restaurant quality experience. Spread over 3 floors, Chalet Foulon benefits from having private spaces and a sociable living area – perfect for groups who want a little bit of both. Enjoy the warmth from the wood-burning fireplace as you curl up each evening with your friends and family.

Floor to ceiling windows bathe the space in light, acting as a pathway to the sprawling south-facing terrace

with spectacular views across the dramatic valley below. The real 'wow-factor' of Chalet Foulon is the spa and wellness area. The indoor/outdoor swimming pool is incredibly serene – we recommend alternating between the pool and the sauna for the best experience. If swimming isn't your thing but relaxing in bubbles is, the outdoor hot tub has your name on it. Cheers your glass with friends watching the steam rise and with the gorgeous mountain views. This isn't all, the ground floor also has a home cinema with comfortable seating that you'll sink into – and struggle to get out of!

Each of the bedrooms are havens of relaxation. With plenty of storage and minimalist décor, you'll feel zen from the minute you arrive till the minute you leave. Every pillow is plumped and every duvet turned back to ensure you enjoy a completely restful night's sleep and wake ready for more fun in the morning.
