

## Chalet Kantaa Megeve

### What we love...

We love the seductive entertainment spaces – there's a sumptuous spa with sunken Jacuzzi and a bar made for cocktail mixing.

Chalet Kantaa is a luxury chalet that's full of surprises. From the outside, this quintessential alpine lodge is charming and characterful – when dusted in snow, surrounded by mountain peaks and forested slopes, it looks like a beautiful Christmas card. Inside, it's a stylish display of design, with some seriously cool entertainment spaces to boot; the bar and spa give off real Gatsby vibes.

On the top floor, the large lounge is light and contemporary, with picture windows showcasing the stunning views at every opportunity. A modern black steel log burner takes centre stage, and quirky yet sophisticated details – from the blown-glass art to the colour-pop rugs – add a playful feel. The chalet is self-catered and guests will love creating feasts for all the family

in the gorgeous fully equipped Gaggenau kitchen. Outside, a roomy terrace is the perfect spot to curl up with a warm mug of chocolate or a glass of vin chaud.

Rooms at Chalet Kantaa are the kind you'd find in a luxe boutique hotel, featuring cosy seating areas or workspaces, and high-spec en-suite bathrooms. There are four double bedrooms – including two master suites with terraces – and a bunk room sleeping six children.

The lower floors of this luxury ski chalet have a distinctly more seductive feel. This is where you'll find the swanky bar and games room, plush cinema and subterranean-style spa, complete with gym, indoor Jacuzzi, Hammam and massage room.
