

## Chalet Golden Jubilee Val Thorens

### What we love...

We love the super-sleek and soothing spa area, where guests can take refreshing dips in the private pool and relax aching limbs in the sauna.

Chalet Golden Jubilee is a gorgeous home focused on wellness and featuring stunning mountain views from its top-of-Val-Thorens location.

The chalet's contemporary living space, with vaulted ceiling, natural wood, glittering chandeliers and plush velvet and leather sofas, is a wonderful place to unwind with family and friends after a day on the slopes. A sleek log burner is a focal point of the room, adding warmth and style, and statement pieces of art and furniture create a seriously high-end feel. You're always immersed in the mountains here; the atmospheric floor-to-ceiling windows constantly drawing your eye out to the snowy mountaintops.

Five cosy bedrooms cocoon guests in a unique style of cool patterned wallpaper and arty oversized headboards, and the sixth bedroom is designed for kids.

If you're in search of a ski chalet with a swimming pool, look no further than Chalet Golden Jubilee. Without doubt, the pool is the pièce de résistance of this stylish chalet. It sits at the centre of the modern and luxurious spa area, which also comes with relaxation chairs, a sauna and steam room. This is the place to relax aching muscles and freshen up with a dip before heading out for a delicious dinner – a perfect evening on your luxury ski holiday.

As well as having your own private spa facilities, your stay at Chalet Golden Jubilee also includes access to the exceptional Koh-I Nor Spa at the nearby Hotel Koh-I Nor – a haven of peace dedicated to relaxation and total calmness, with its two pools, fitness centre, sauna, Hammam, Jacuzzi, experience showers, salt wall, ice fountain, relaxation lounge and sun lounge.

Children will love Val Thorens. It's easy to get around and has a fantastic beginner's area at the foot of the resort, with covered magic carpets to keep little learners a bit warmer. Away from the slopes you'll find a sports centre with trampolines, a pool, table tennis and soft play.

There's also a cosy bedroom designed for children. For kid-free evenings, childcare can be arranged via the chalet's concierge team.
