

Chalet Orlov Val Thorens

What we love...

We love the sky-high views of snowy mountaintops from the light-filled lounge and its sun-drenched terrace.

Welcome to your stylish sanctuary in the snow. Nestled at the top of the resort centre, this luxury ski chalet in Val Thorens is a wonderful home where family and friends can enjoy total comfort and effortless fun on the slopes.

Chalet Orlov's elevated setting makes you feel like you're up in the clouds. The elegant open-plan living area is located on the top floor to make the most of the stunning snow-capped mountain views through the floor-to-ceiling windows. Bathed in natural light, with plush velvet and leather sofas, glittering chandeliers, a roaring log burner and a vaulted wooden ceiling, there's the perfect balance of modern style and warmth.

Spend afternoons chilling out on one of the sun-kissed terraces or soothing aching limbs in the sauna or steam room. Gym-goers can even get their fix in the private

fitness room. After making a mouth-watering meal together or sampling Val Thorens's best restaurants, gather all the group for a classic movie night in the home cinema with Sonos surround sound.

In the bedrooms – four main bedrooms and an additional children's room – patterned wallpaper and statement headboards add just the right amount of character, and plush robes and premium bath products mean everyone can relax in luxury.

As well as having your own private spa facilities, your stay at Chalet Orlov also includes access to the exceptional Koh-I Nor Spa at the nearby Hotel Koh-I Nor – a haven of peace dedicated to relaxation and total calmness, with its two pools, fitness centre, sauna, Hammam, Jacuzzi, experience showers, salt wall, ice fountain, relaxation lounge and sun lounge.
