

Chalet Petite Ourse Megeve

What we love...

We love the chalet's snowy woodland setting, which feels super secluded yet is just a five-minute drive from Megeve's charming centre.

Perched in snowy woodland above the sophisticated resort of Megeve, you'll find Chalet Petite Ourse – a fairy-tale cabin-meets-high-end home with a warm, inviting feel and a fresh Scandinavian design.

This luxury ski chalet in Megeve is self-catered and you're just a five-minute drive from the resort's fantastic range of eateries, including a three-Michelin-star restaurant. If you prefer to cook up a storm, you'll find everything you need in the fully equipped kitchen, which also has access to a balcony – ideal if you need to step out for a breather with a glass of wine before serving up. There's plenty of space for everyone to take a seat at the table and tuck into family feasts under the glittering light of the chandeliers.

The roomy open-plan living area is the hub of the home. A modern log burner is a real focal point, where

you can curl up with a good book by the roaring fire or chat by firelight long into the evenings. For those nights when you're all talked out, head down to the home cinema room, which has its own bar for supplying movie night drinks and snacks. Or, take relaxation to the next level and make your way to Chalet Petite Ourse's log cabin-style wellness zone to take a dip in the sunken Jacuzzi or soothe weary limbs in the sauna and steam room.

At the end of fun-filled days on the slopes, rest your head in one of seven soothing en-suite bedrooms. Some rooms come with a dressing room or balcony access – the light and airy master has both. There's also a cosy triple bunk room where little ones can bed down together for sleepovers.
