

Silver Fox Apartment 1 St Anton

What we love...

We love the apartment's fresh and modern open-plan living area, where a beautiful arched doorway leads outs to a terrace to extend the entertaining space.

This luxury ski apartment in St Anton's Nasserein area occupies the ground floor of Chalet Silver Fox, an attractive new chalet with contemporary features and a fresh alpine style. With direct access to your own terrace and sweeping views of the valley, plus a ski lift just 350 metres away, you'll feel perfectly immersed in your surroundings.

Step into the light open-plan living area and you'll be met with a dining space and a cosy sitting corner with plump sofas and snug reading nooks. After a day on the slopes, this is the ideal place for lounging by the wood-burning fire with a drink in hand. The fully equipped modern kitchen is neatly tucked behind the dining area to give the chef of the group some privacy.

When it comes to sleeping arrangements, each of the five bedrooms is of a similar style and

has its own smart en-suite bath or shower room. The apartment is offered on a bed-and-breakfast basis so you can enjoy the freedom of where to eat for lunch and dinner. Make sure to save space for that afternoon tea which awaits you back at the apartment.

To soothe weary limbs, a sauna session is a must and needs will be met at the bio-sauna and relaxation zone shared between the three Silver Fox apartments. Apartment guests also have access to a range of handy extras including a washing machine, underground parking, a shared ski room and use of a ski depot at Nassereinbahn. You'll also have a full concierge service at your disposal.

Silver Fox Apartment 1, 2 and 3 can be booked on an exclusive use basis with total accommodation for groups of up to 32 guests.
